HONOR ROLL

We, the Class of '38, extend our hearty congratulations to the students in the above picture. The members of this group have excelled in their studies for three years maintaining an average of 3.5 or better.

This group was one of the active bodies in our school activities and held several meetings during the school year. At those meetings the group discussed plans which would serve to the betterment of Everett High.

This is the largest group of honor students ever to represent Everett High, and, as is customary, each will be awarded a gold medal at the graduation exercises in June.

The group was composed of Gertrude Maxim, Truth Abbot, Madeline Beauchamp, Emil DeAgazio, Daniel MacGillivray, Marguerite Thomas, Eleanor Malinowski, Tadeusz Kierzkowski, Barbara Bishop, Leah Guay, Andrew Todaro, Jessie Parsons, Hertha Peterson, Vincent Wernig, Donald Allison, Phyllis Goldman, William Konsavage, Roy Larson, Anna McGillivray, Chesley Ruby, and Mary Smith.

SENIOR HOME ROOM PRESIDENTS

Hats off to our Senior Home Room Presidents for their enthusiastic work of the past year.

These fellows and girls represent the fourteen Senior home rooms, and are a council whose duty it is to discuss and vote on the plans for the activities of the class. They have efficiently carried out their duties of bringing all questions before the pupils of their respective rooms, presiding over their voting, and bringing back to the council their class decisions. This is a simple and satisfactory way for a class of several hundred to vote, and gives the student body a voice in all class plans.

Many of this group, besides performing their duties as presidents, are active in the various clubs and musical groups of our school.

The presidents are:

Williston Holbert
David J. Barry
William Hooley
Eleanor Malinowski
Willis Miller
Frederick Wernig
Charles Giacobbe
Harry Smith
Chesley Ruby
Vincent Wernig
Gertrude Maxim
Ralph Cosentino

HISTORY OF THE CLASS OF 1938

We, the class of 1938, have now passed the milestone of our high school days and have contributed largely to the success of various student activities.

In the years to come may this book of "MEMORIES" serve to remind you of the pleasant and unforgettable joys of our youthful aspirations.

For the benefit of those who in the future years will want to show their mates how important they were in high school, the history of the Class of 1938 is here unfolded.

Freshman Year

In our freshman year at the Parlin School, Edward Bond was president of the P. C. G. A.; Domenic Cardello, vice-president; and Catherine Agneta, secretary-treasurer.

The following students represented our class on the All-Parlin basketball team: Anthony Correggio, William Konsavage, Charles Giacobbe, and Charles Redmond.

A few successful socials were held under the management of the social committee which was comprised of Marion Churchill, Catherine Agneta, and Charles Giacobbe.

Sophomore Year

In the fall of 1935, we entered the Everett Senior High School with high hopes mingled with a little fear in our hearts. During that year we were under the leadership of Fred Raimo, president; Charles Redmond, vice-president; Vera Rice, secretary; and Dorothy Maynard, treasurer. The Student Council consisted of Arthur Dunn and Domenic Cardello.

As sophomores we immediately entered many of the school activities, being represented by the following:

GLEE CLUB—Aileen Allen, Evelyn Booth, Muriel Carter, Elizabeth Erlandson, Doris Hamilton, Helen Huggins, Louise Juel, Evelyn Lane, Irene Perrine, and Aileen Woodworth.

DRAMATIC CLUB—Phyllis Hoffman, Tadeusz Kierzkowski, Norman Murray, Salvatore Nanfria, Vera Rice, and Eleanor Sherry.

FOOTBALL—Harold Everett, who made the first team, and the only sophomore to receive his letter.

BASKETBALL—Anthony Correggio, the only sophomore who rated first squad.

Our class responded nobly to the stimulus of competition and we found in the places of responsibility and trust many of our fellow members.

Junior Year

In the fall of 1936 we still had high hopes of making our class the most outstanding class ever to graduate from Everett High.

Our leaders for the Junior Year were: Charles Giacobbe, president; Edward Casey, vice-president; Vera Rice, secretary; Rose Judge, treasurer. Marion Churchill and David Barry were the representatives on the Student Council.

Among the activities in which the Juniors took part were:

GIRLS' GLEE CLUB—Aileen Allen, Evelyn Booth, Marion Churchill, Elizabeth Erlandson, Doris Hamilton, Helen Huggins, Irene Perrine, Louise Smith, Aileen Woodworth, and Gladys Noftle.

GIRLS' ENGLISH CLUB—Margaret Bartolotta, Pauline Burke, Charlotte Dlugove, Dorothea Duncan, Rose Ellis, Electa Gayton, Thelma Hugo, Hazel Miller, Annetta Moccia, Margaret Mooney, Virginia Murch, Florence Nelson, Sylvia Ostrovsky, Yolanda Poyelli, Winifred Riley.

CHEMISTRY CLUB — Melvin Diamond, Linwood Fuller, John Heaps, Marilyn Jones, Mildred Ingersoll, Gwendolyn Levenson, William Penny, Anthony Petrone, Warren Nash, Andrew Todaro, George Watson, and Ellis Nelson.

DRAMATIC CLUB—Sylvia Hankins, Frances Harrington, Phyllis Hoffman, Norman Murray, Tadeusz Kierzkowski, Harry Smith, Eleanor Sherry. Norman Murray, a well known member of the Dramatic Club, was the winner from Everett at Emerson College for his outstanding acting in the Annual Dramatic Club production, "The Tantrum".

SPANISH CLUB — Adeline Antonellis, Eleanor Campana, Jean Cannell, Audrey Hunt, Otis Luckman.

GILBERT AND SULLIVAN CLUB—Thomas Butt, Muriel Carter, Edward Casey, Franklin Chambers, Shirley Demb, Leah Guay, Frances Harrington, Williston Holbert, Annie Kramer, Gwendolyn Levenson, Dorothy Maynard, Willis Miller, Richard Nazareth, Jean Newnham,

Jessie Parsons, Vera Rice, Mildred Ingersoll, Dorothy Shields, Virginia Shirley, Marguerite Thomas, Dorothy Wainwright, and Raymond Yancey.

LIBRARY STAFF—Anna Bernardi, Louise Bernazani, Josephine Fitzgerald, Hertha Peterson, Mary Smith, Victoria Tumas, and Dorothy Erb.

WRITERS' CLUB—Margaret Kelly, Edith Kolsky, Thomas McNally, Francis Paul, and Irving Wasserman.

PRIZE SPEAKING — George Bourguignon, Franklin Chambers, and Gladys Springer. Proud, indeed were we, when George Bourguignon walked away with the judges' decision and the audience prize.

The Junior Class was also victorious in the essay contest on "Americanism". Gertrude Maxim was the winner, and Roy Larson won honorable mention.

The letter men on the football team were Harold Everett, Walter Mihovan, James Lombardi, Alexander Santilli, and Fred Raimo.

The boys of the basketball squad who won letters for their fine work were Anthony Correggio, William Konsavage, and Charles Hutchings.

We, as Juniors, firmly believed that we had contributed our share to the various activities, and we were looking forward to our final year as Seniors with great anxiety.

Senior Year

With heads held high and soaring spirits we entered the year that marked our last chance to show the school just what we could do.

Our class officers this final year were: Edward Casey, president; Vincent Wernig, vice-president; Vera Rice, secretary; Charles Redmond, treasurer; Student Council members were Rose Judge, Edward Shea, and Charles Di Sabatino.

In previous years it has been customary to outline in detail the various activities of the Senior Class as part of our class history. As Seniors we feel that our many activities have been successful and a credit to the school. In omitting this section from the Year Book the editors feel that this material can be covered to greater advantage by the class historians at the Class Day exercises in June.

And now we of the Class of '38 must depart from our friends and companions, each to take his or her place in the untiring world.

Good luck, Class of '38.

JUNIOR HOME ROOM PRESIDENTS

The junior council of home room presidents has been a vital force in the social activities of the school. It has been more active and has accomplished more this year than any similar organization has in recent years. The initiative for the fine school spirit of the juniors originated at the Christmas Assembly sponsored by the Junior officers.

In one of the most important social functions held by the school, the Mid-Winter Dance, the council was instrumental in bringing about a great success.

Various assemblies have been put on by the officers for the junior class alone. These meetings have not only given members of the class an opportunity to exhibit their talent, but they have also been a convenient way to discuss some important matter before the entire group of juniors.

The most memorable achievement of the council, however, was its loyal support to the class officers in making this year's Junior Prom the best that has ever been held by the school.

With the continuance of the fine school spirit that has been manifested this year, the junior class has every reason to look forward to a most successful senior year.

The presidents are:

Joseph Cianciulla
Carleton Symes
Russell Timmons

JUNIOR PROM COMMITTEE

The class of '39 under the able leadership of President Robert Barry, held their promenade on May 6. This dance will long be remembered in the hearts of all those who were fortunate to attend this glamorous event. The Junior Class showed fine school spirit and cooperation when they made this Prom a success.

The gymnasium was beautifully transformed into an outdoor scene, with its fine display of flowers, trees, shrubs and furniture. Through the untiring efforts of Mr. Thayer and Misses Noland, Bjornwall, and Richardson, this scene was made possible.

Over three hundred students and guests made merry on this gala occasion. A number of prize dances were conducted and following these dances refreshments were served in the beautifully decorated cafeteria.

Those who had charge of the various committees were Robert Barry, general chairman, assisted by Warren Light; decorations, Henry Kearney; refreshments, Gilbert Walker; reception, Malcolm Keir.

We, the Juniors, believe that we have established a precedent this year, and look forward to a successful Senior Prom in '39.

SOPHOMORE HOMEROOM PRESIDENTS

This group of sophomore home room presidents is indeed active. In a recent meeting of the home room presidents of all three classes, these sophomores expressed many good ideas and seemed to have as much logic in their reasoning as did the juniors and seniors.

They were selected by their fellow students to represent them in all of the school activities. They are truly worthy of the confidence bestowed in them and are doing a fine job. The class of 1940, however, has more than just a fine group of presidents to its credit, for in addition to this able group of leaders, it has several hundred cooperative students.

The Sophomore presidents are:

Wendell Emerson

SOPHOMORE HISTORY

It is extremely difficult for those who come to this school from the Parlin Junior High School, and who are called sophomores, to get accustomed to the ways of Everett High. They come from a building where they are considered "tops", but when they get here the upper classmen look down at them and are greatly amused at their bewildered looks and actions, forgetting that at one time they too had to bear the suffering brought about by being sophomores.

The sophomores have been well represented in the activities of the school. Their class officers are: President, Gaspar Sachetta; Vice-president, Pasquale Santilli; Secretary, Jeanne Connors; Treasurer, James Cotter; Student Council, Winifred Davis, Robert MacGregory, and Jean Rowell.

The sophomore enrollment in various clubs of the school is as follows:

LYCEUM — James Cotter, William Days, Patrick De Salvatore, Wendell Emerson, John Gramstorff, Robert MacGregory, Edward Murphy, Herbert Resnick, Morris Rutberg, Gaspar Sachetta, and Ralph Ulliano.

DEBATING TEAM — Morris Rutberg and Gaspar Sachetta.

GILBERT AND SULLIVAN CLUB — Margaret Allen, John Gramstorff, Peter Merenda, Joseph Meuse, Gertrude Moore, Katherine Marshall, Pearl Neilssien, John Sanborn, Lillian Tobias, Edward Snook, and Warren Woodworth.

DRAMATIC CLUB — Jean Ashley, Pearl Mayne, and Chesley Tilley.

LIBRARY STAFF — Rose Cafasso, Rita Christensen, Ida MacLeod, Pearl Neilssien, Grace O'Brien, Esther Santer, and Etta Smith.

CAMERA CLUB — Robert MacGregory.

GLEE CLUB — Faith Johnson and Dorothy Huggins.

Those who received letters for outstanding work on the gridiron were John Comerford, Fred Burnham, Daniel Frazier, Mario Gianelli, and Angelo Lepore.

THE STUDENT COUNCIL

Our Student Council, with Mr. Thayer as its chairman, and Mrs. Holt and Mr. Collins as teacher-advisers, makes a grand line-up. This council is made up of representatives selected from each of the three classes by the student body.

The duty of the council is to discuss at their meetings the various problems and plans which confront the school as a whole or in part. Their aim is to aid the largest number of students possible through their consideration of these problems and plans.

This year the number of senior representatives was increased from three to five. Also a new schedule of activities has been arranged. In the council there are four representatives from the junior class, and three from the sophomore class.

CHRISTMAS BASKET COMMITTEE

The Christmas Basket Committee performed its usual excellent work again this year under the supervision of Mr. Cantalupi of the faculty.

The committee received excellent response and cooperation from the student body at both of the Christmas shows. A large sum of money was realized from the first show, and many canned goods and vegetables were brought in by the pupils at the second show. Because of this generous cooperation by all, over two hundred baskets were delivered to many needy families in our city the day before Christmas.

Those who took part in the two Christmas shows deserve to be given much credit for their efforts in aiding this worthy cause. It was through these two shows that we were able to do this great service to the needy and unfortunate people in our city.

The faculty was of great assistance in preparing the shows and in the distribution of the baskets.

The members of the Senior Class on this committee were:
Thomas Smith, Harold Everett, Vincent Wernig, Franklin Chambers, Stanley Korvek, William Lavoie, Bernard Olsen, Frank Pagliuso, John Magnuson, John Connolly, Anthony Fasciani, Edith Maiella, and Dorothy Erb. Others on the committee were Gilbert Walker, Gaspar Sachetta, Joseph Puglielli, and John Dillon.

THE BAND

The Everett High School Band, with Ottavio J. De Vivo as leader, performed with their usual efficiency the task of serenading Everett football victories and defeats. In their snappy red and blue capes and hats, which were new last year, they made a striking appearance on the field.

As is always the case, a great deal of credit goes to their faculty manager, Mr. George W. Clay.

The band aided in putting our Football Assembly across, and gave a grand performance on Parents' Night.

The members of the band are:

Dorothy McKearney (drum-major), Carl Nickerson (student manager), Leonard Bishop, Myer Boyarsky, Leonard Chaiton, Harvey Card, William Coutanche, Charles Florentine, Robert Forgione, Alfred Garafolo, Archillo Giglio, Humphrey Greer, Frederick Hartung, Williston Holbert, Walter Jones, Robert Kalin, Robert Kaufman, Malcolm Kier, Melvin Liggums, Alexander Marr, Charles Mason, Willis Miller, William McLaughlin, Robert Moister, Frederick Monahan, Walter Moore, Alva Niles, Otis Niles, Wilson North, Joseph Pascarilli, Donald Parsons, Charles Radosta, Horace Rocco, John Sanborn, Vincent Scotti, Albert Turco, Isadore Vernofsky, Eric Windsor, Warren Woodworth, Thomas Allston, Joseph DiGregorio, Edgar French, Leroy Powers, Raymond Yancey.

THE ORCHESTRA

The Everett High School Orchestra, under the talented direction of Ottavio J. De Vivo, has completed an unusually successful year. The organization was augmented considerably by the addition of several new members.

Although the orchestra puts on no production of its own, its services at our plays, debates, and assemblies are invaluable. This year it rendered an excellent group of selections at Parents' Night, and several of the members were in the orchestra which provided the music for the Glee Club Show.

The membership of the orchestra is as follows:

Robert Forgione (student-manager), Raymond Yancey, Charles Radosta, Robert Kalin, Otis Niles, Alva Niles, Florence MacLean, Charles Florentine, Eleanor Babikian, Richard Bond, Julia Zeickick, Warren Woodworth, Alfred Garafolo, Alexander Marr, Melvin Liggums, Robert Moister, Donald Parsons, Isadore Vernofsky, Albert Turco, Vincent Scotti, Vivian Hamilton, Edgar French, Joseph Conti, Francis Harrington, Eli Selman, Kenneth Abagis, Saul Cutler, Barbara Juliano, Grant Ross, Herman Welsh, Helen Thompson, Andrew Guarino, Silvia Gorschel, Nelson Jones, Carl Poehler, Fred Gibson, Catherine O'Donnell, Wilson North, and Vanooly Haroutunian.

SENIOR CLASS PLAY

The annual Senior class play entitled "Skidding" was presented in December and proved highly successful. The story concerns a modern young American, Marion Hardy, with a college education and an interest in politics. She is forced by her fiance to choose between marriage and a political career. Complications set in when her father's reelection as judge of the county is endangered by crooked politicians. To make matters worse, two of Marion's elder sisters have marital troubles and come home to live. In the end, the complications are straightened out, the judge is reelected, the sisters go back to their husbands, and for Marion true love takes its course.

The cast was as follows:

THE DRAMATIC CLASS

The Dramatic Class was organized in 1930 for the purpose of fostering a love for drama among the students of the Everett Senior High School. This group meets regularly once a week during school hours, and students who satisfactorily complete the course receive credit toward graduation. Many plays are presented during the year with a public performance on Drama Night to which parents and friends are invited.

This year we have been very busy. We have presented plays at various schools, churches, and other organizations. Our Drama Night was April 29, when the plays, "Noblesse Oblige," "The Thrift Shop," and "Eat Three Olives," were presented. On April 9, our group had the honor to be host at The Massachusetts Drama Festival, which was held at Parlin Hall.

Everett and Revere were judged the winners of this festival. Everett's winning play was "Noblesse Oblige" by Arthur Styron. Both schools were extended invitations to attend the New England Drama Festival to be held at Warwick, Rhode Island, on April 29 and April 30.

The social life of the class has not been neglected for we had a very gala time at a Christmas Party given by one of our members, and the annual outing at Francestown, New Hampshire was full of fun and frolic as usual. The class, also, has accepted invitations to attend plays given at the Bishop Lee School, Currie School of Expression, Conservatory of Music, and Boston College.

THE LYCEUM

The Lyceum, established over forty-five years ago by Mr. Rockwood, has had such members as Wilmot R. Evans, Jr., late president of one of Boston's largest banks; Franklin P. Bennett, Jr., Boston publisher; William E. Weeks, former Mayor of Everett; Walter R. Morris, prominent local attorney; and Morris Silverstein, present Everett City Solicitor. The ideals and standards that these men upheld should be a challenge to the members of the present organization.

The officers for 1938 were Edward F. Casey, President; Franklin D. Chambers, Vice-President; William J. Fitzgerald, Treasurer; Joseph M. Rizzo and Robert E. Barry, Co-Secretaries. The club was under the guidance of Mr. Coughlan.

Among the activities of the club were the Annual Lyceum Dance, the proceeds of which went to the Christmas Basket Fund; two debates with Revere; single debates with Chelsea and Lynn Classical; and a sophomore debate with Chelsea. A club member, George Bourguignon, reached the finals in the Colby College Prize Speaking Contest, and another member, Robert Barry, won a medal in the American Legion Contest. Several members took part in the Boston College Prize Debate.

The Club roster includes:

Seniors: Edward Bond, Thomas Butt, Edward Casey, Franklin Chambers, William Fitzgerald, Charles Giacobbe, Joseph Murphy, and Oscar Poulson, Jr.

DEBATING TEAM

Members of the Lyceum were in four non-decision debates. Although no decisions were rendered, the members upheld their side very ably.

The first and second debates were with Revere on the subject of "Withdrawing Our Battle Ships from Chinese Waters." The first team was William Broderick, Roland Bowling, and Robert Barry, the rebuttal being given by Robert Barry. The second at Revere consisted of Gaspar Sachetta, Charles Giacobbe, and Franklin Chambers, with the last named giving the rebuttal.

The third at Lynn Classical was on "The Adoption of the Ludlow Amendment." The team was Nicholas Parisi, Thomas Butt, and Gaspar Sachetta.

The fourth debate with Chelsea was on the "Withdrawal of Battleships from Chinese Waters." The team was Roland Bowling, Edward Casey and Robert Barry.

Robert Barry also represented the school in the American Legion Contest, speaking on "The Compromises of the Constitution."

GILBERT and SULLIVAN CLUB

The Gilbert and Sullivan Club was organized in 1936 by Ottavio J. De Vivo, director of music in the public schools, for the purpose of presenting light operas in the Senior High School. Many requests and the overwhelming success of last year's performance prompted Mr. De Vivo to present "The Mikado" two nights this year instead of one. Leah Guay again thrilled her audiences with her beautiful voice in the role of Yum-Yum, with Donald Bond as her leading man in the role of Nanki-Poo. This club has appeared in radio and assembly programs.

The membership is limited to sixty students, and regular meetings are held every Wednesday after school.

The following were in the cast of the "Mikado" presented on March 10 and 11, 1938, in the Parlin Junior High School hall.

THE SCIENCE SERVICE CLUB

Another year of successful activity of the Science Service Club has drawn to a close. Mr. Edward S. Bryant, Head of the Science Department, is its sponsor.

The purpose of the club is to be of as much service as possible to the students of the high school who are particularly interested in the study of science. They make each year a gift to the school library of some current book dealing with science. This year it is "The Drama of Science". At the club meetings which are held once a month the students give demonstrations to aid in their study.

The club has issued its four-page paper which contains bits of scientific information as well as a list of its members and officers.

The club elected the following officers to head its activities for the year. President, Russell Carroll; First Vice President, Joseph Cianciulli; Second Vice President, Mary O'Sullivan; Secretary, Doris Coakley.

Other members are: Robert Atwell, Elizabeth Bond, Elsie Burke, Dorothy Donnelly, John Gherson, Lillian Howe, Thelma Kenny, Agnes Lichenburg, Mary McCauley, Carmella Minichielle, Edith Moore, Isabelle Morris, Mary Olivere, Robert Phelan, Doris Richenburg, Bernice Roche, Roxie Sevoian, Carl Symes, Arthur White, and William Yates.

GIRLS' GLEE CLUB

Another successful year of the Girls' Glee Club, under the direction of Miss Myra H. A. Marshall of the faculty, is brought to a close with pleasant memories of many good times and many fine friends. Louise M. Juel has been a very fine and efficient student manager.

The club had a gay picnic in September, and the tangy autumn air gave everyone a splendid appetite. Its second social affair proved equally successful. This was a Christmas party held in the suite of rooms at the high school. During the year the girls put on fine performances at various school functions, including the Christmas Show and the Mid-Winter Dance.

The seniors in the club include the Misses Evelyn Booth, Aileen Allen, Irene Perrine, Eileen Woodworth, Helen Huggins, Doris Hamilton, Ruth Kautz, Evelyn Lane, Gladys Noftle, and Louise Smith.

A great deal of time and effort was spent on their annual Spring Concert in May. A special class in singing has been formed this year, and already has about ten members. One of the gala events of this year was the reunion of the past members of the club. In June, the farewell party to the Seniors completed this most enjoyable year.

GIRLS' GLEE CLUB SHOW

The annual presentation of the Girls' Glee Club Show was a decided hit this year. The production, entitled, "The Belle of Bagdad", was an operetta of two acts, with the scenes taking place in Bagdad.

The story was laid around the attempts of a Hollywood movie studio to discover "The Belle of Bagdad", portrayed by Evalin Lane. Representing the Hollywood concern was Dick Taylor (John Drover), who flew to Bagdad with his two mechanics, Bill and Bob, played by Russell MacKinnon and Arthur Edmonds.

The group ran into difficulties when a ruling by the Caliph, (Franklin Chambers), prohibiting the use of a camera in Bagdad, made it imperative for Bill to get rid of the camera he was using to take pictures of the native girls. The camera was foisted upon Archie Fitzgibbons, (Willis Miller), a London "dandy", who was accused of disobeying laws and thrown in jail.

Elsa McCann, daughter of the American Consul, was played by Louise Juel, and the role of Anne, her chum, by Aileen Allen. Rose and Lily, daughters of the Caliph, were portrayed by Irene Perrine and Louise Smith, and the part of Zelinda, a dancer, was taken by Elizabeth Erlandson.

Malcolm Keir as the chief of police, Evelyn Booth as Henrietta Whipstitch, and Doris Hamilton as the American consul, all gave excellent performances.

Miss Myra H. A. Marshall of the faculty, director of the club, coached the play.

THE WRITERS' CLUB

The Writers' Club is about to complete its ninth year of successful existence during which it has endeavored to carry out its twofold plan of developing talent for writing among students and of instilling an appreciation for good literature.

Despite the difficulties arising from irregularities in programs and afternoon sessions, the club has had the opportunity to enjoy several informal discussions concerning work done by various members.

Competition is stimulated by contests held in each division, prizes being awarded to the winner. The outstanding prize of this year has been donated by a former member of the club for the best essay on "Gardens."

The Christmas season saw each member busy collecting toys, books, etc. for the Christmas Fund and planning for the social party.

Officers of the club are — Margaret Kelly, president; Madeline Beauchamp, vice-president; Ruth Johnson, secretary; Willis Miller, treasurer;

Truth Abbot, reader of the Scholastic. Mrs. Christine Lawlor of the faculty is adviser of the organization.

Members — Truth Abbot, Madeline Beauchamp, Barbara Bishop, George Bourguignon, Eleanor Carideo, Alfred Cuilla, Maria DeMeo, Mildred Ingersoll, Ruth Johnson, Marilyn Jones, Nelson Jones, Margaret Kelly, Gertrude Maxim, Willis Miller, Mary Stein.

GIRLS' ENGLISH CLUB

Another successful year fully enjoyed by the members of the Girls' English Club has drawn to a close. This club has been in existence about twenty-three years. For the past six years it has been under the excellent and able direction of Miss Ethel Kelley, who has acted as faculty adviser. The purpose of the club is to enable the members to become better acquainted with facts concerning the lives and writings of famous authors. The club meets the first Friday of every month after school.

Their big affair this year was the six-year reunion in honor of Miss Kelley who has been their faculty adviser for that length of time. It was held at the Boston University Women's Building on January 22, 1938.

The girls made ten scrap-books and sent them to children at the Whidden Memorial Hospital for Christmas. They also presented a few books to our school library for the Girls' English Club shelf.

The pin is an open book of Roman gold against a torch of Knowledge.

The officers are as follows:

President.....Florence Nelson
Vice President.....Olive Morrison
Secretary.....Josephine Bailey
Treasurer.....Esther Skogsberg

LIBRARY STAFF

President ..... Josephine Fitzgerald
Secretary-Treasurer ..... Hertha Peterson

The membership of the Library Staff which was organized three years ago is limited to those students who maintain an average of three or more. The girls assist in the library one period a week and receive some practical training in the care of books.

The club has other activities, however. Members of the faculty frequently tell about their trips abroad. Lectures have been given on Mexico, Ireland, England, and Norway. The staff attended the opening meeting of the first Boston Book Fair. Recently they were the guests of Speaker Cahill of the State House, and in May the group attended a Pop Concert.

Members of the staff are — Josephine Fitzgerald, Hertha Peterson, Dorothy Erb, Victoria Tumas, Mary Smith, Eleanor Malinowski, Louise Bernazani, Anna Bernardi, Eleanor Babikian, Mary Cantalupi, Margaret Rowell, Helen Dirko, Laura MacRae, Ruth Cunningham, Rose Cafasso, Grace O'Brien, Esther Santer, Ada MacLeod, Etta Smith, Rita Christensen, and Pearl Neilssien.

THE EVERETT HI-Y CLUB

This year has been a very successful one for the Everett Hi-Y Club which was conducted under the able leadership of Mr. Harold Brewer, Boy's Work Secretary of the Malden Y. M. C. A. We feel that we have done our best in fulfilling our Hi-Y purpose which is "To create, maintain, and extend, throughout the school and community, high standards of Christian character." We are proud to feel that we were partly responsible for securing Dr. Edward A. Estaver for a speaker at an assembly.

At our meetings we have had excellent speakers on varied subjects such as, alcohol, tobacco, war and peace, and international relations. On this latter topic we have been very fortunate in securing the services of several foreign-born men who are at present studying in the United States. Thus we got first hand information on European affairs. As the Hi-Y Club restricts its membership to boys of high school age, the club will lose several members after graduation. We who are leaving extend a cordial invitation to the underclassmen to join this thriving organization and benefit from its instructions. The officers who led the club's activities throughout this year were:

Willis Miller.....*President*
Ernest Ahlquist.....*Vice President*
Herbert Mader.....*Secretary*
Chester Curnane.....*Treasurer*

Mr. Whittemore, Romanowicz, Emerson, MacGregory
White, Bowling, DeKeyser

THE CAMERA CLUB

During the year the newly organized Camera Club got away to a successful start with a small but interesting group under the direction of Mr. Willard Whittemore, who acted as faculty adviser. He was ably assisted by the following officers:

President.....Roland Bowling, '39
Vice President.....Jonah White, '38
Sec'y-Treas.....Henry DeKeyser, '38

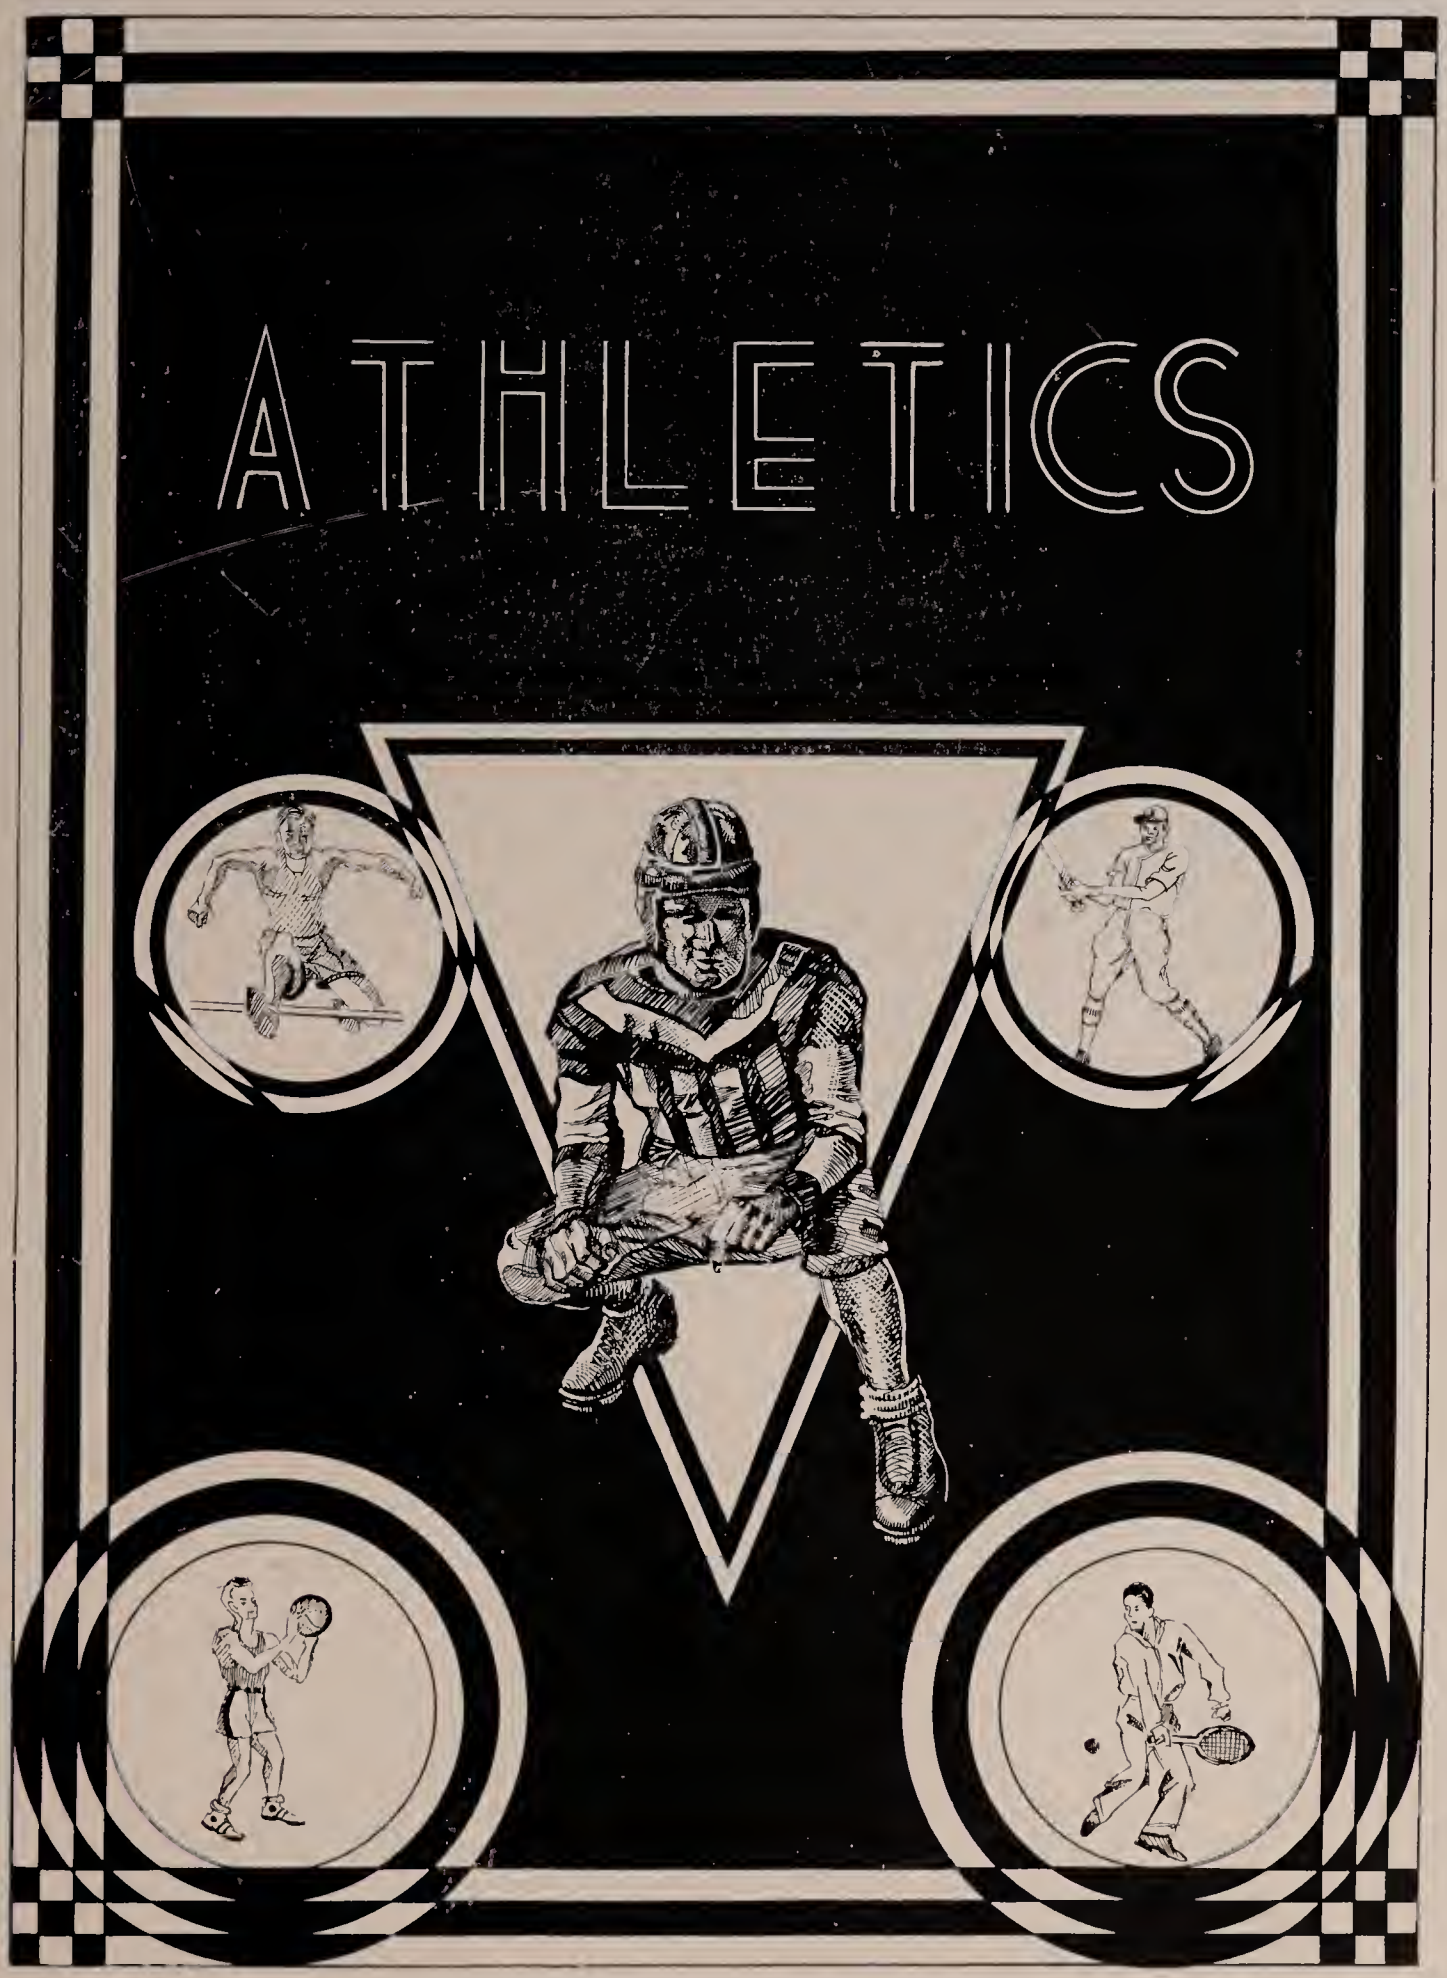
Our programs have included discussions, demonstrations, practical work on lenses, filters, films, papers, contact printing, enlarging, color and natural color photography.

Through the kindness of the Science Service Club we were shown moving pictures taken in the field of chemistry, and we in turn demonstrated natural color photography to them.

The club has made several trips seeking good pictures, among them a trip to T Wharf.

One of the highlights of the year was the display of pictures and equipment which was held by our club on Parents' Night. Pictures by Robert MacGregory were chosen by the parents as being the most outstanding.

We hope that during the coming years the club may continue to grow in membership and at the same time increase the scope of its activities.



ATHLETICS

FOOTBALL

Everett, under the leadership of Captain Harold Everett, completed a very successful season. Coach Gildea and his assistant coaches, Melanson and Bleiler, deserve a great deal of credit for their splendid guidance during the past season.

The Everett High School team upheld the reputation of their school by playing hard and clean, Everett having always been respected for its fine display of sportsmanship.

Much to our surprise, the team lost to Chelsea by the score of 6—0. The contest was decided late in the fourth quarter, when Chelsea managed to push over the only score of the game. Everett had remained undefeated up until the final game.

Our record for the season was as follows:

Everett— 6	Concord	6	Everett—20	Revere	0
Everett— 0	Salem	0	Everett—20	Providence Central —	0
Everett— 6	Newton Central	0	Everett— 0	Malden	0
Everett— 0	Manchester Central—	0	Everett— 0	Chelsea	6

Those who received their sweaters this year were:

Captain Harold Everett, Captain-elect Alfred DelVisco, Gilbert Walker, Alfred Marshall, Joseph Puglielli, Fred Burnham, John Dillon, Angelo Lepore, Mario Giannelli, Fred Wernig, Wiliam Lavoie, Alfred Ciulla, Stanley Korvek, Alexander Santilli, James Lombardi, Charles Budreau, William Dooley, Thomas Smith, Jack Comerford, Sven Larsen, Charles Brickley, Daniel Frazier, and Harold Vaughan, Manager.

BASEBALL

Under the leadership of Coach Gildea and Captain William Konsavage, the 1938 baseball team upheld the standards of Everett High School in the Greater Boston competition. With a large squad of veterans, the team was amply supplied in its battle for the Greater Boston League championship.

Among the veterans to return were Captain William Konsavage, Bernard Olsen, Louis DiSabatino, Charles Brickley, John Brennan, Frank Pasquirello, Joseph DiCesare, John DeGiacomo, and Arthur Lynch. This group formed one of the strongest baseball nines ever to represent Everett High School.

Of the new candidates, Robert Conley, Carl Johnson, Jack Comerford, Howard Brosseau, and Edward Fitzpatrick were outstanding.

Many of our old rivals were numbered on our schedule, as usual, and offered very keen competition for our team. Everett presented a fine looking team on the diamond.

The schedule was as follows:

Everett at Lynn Classical
Everett at Malden Catholic
Melrose at Everett
Everett at Lowell
Somerville at Everett
Chelsea at Everett
Everett at Medford
Everett at Malden
Malden at Everett
Malden Catholic at Everett
Revere at Everett

BASKETBALL TEAM

The High School Basketball Team experienced one of its best seasons in a long time. This was due to the four veterans, Captain Anthony Correggio, William Konsavage, Charles Hutchings, and Bernard Olsen, who received valuable assistance from the other members of the squad, Louis Di Sabatino, Robert Conley, John Dillon, Arthur Covelle, George Shinners, and Henry Kearney.

After winning nine games out of fifteen starts, the team was extended an invitation to participate in the North Shore Tournament for its fine work, but due to injuries brought about by a most strenuous season, Coach Lenox Putnam had no choice but to refuse the invitation.

GIRLS' BASKETBALL TEAM

Several girls answered the call for basketball. The girls were divided into three groups, sophomore, junior, and senior. These groups then played one another in league competition. The games were played once a week.

Miss Greene was very much pleased with the fine display of cooperation and sportsmanship shown by this fine group of girl athletes.

Considerable credit is due Miss Greene for her fine coaching during the past season.

The teams were as follows:

SENIORS — Mildred Comerford, captain; Eleanor McGrath, Florence Nelson, Margaret Doherty, Mary Ciampa, Alice Whalen, Madeline Ricci, and Louise Bernazani.

JUNIORS — Margaret Johnson, Phyllis Horgan, co-captains; Shirley Smart, Anne Abbene, Lucy Cavicchi, Mary Geary, Gertrude Hodges, Laura McRae, Ellen Boardman, Rita Magee, Virginia Case, Susie Profenna, Anita Nelson, Agnes Cannon, Mary Gallagher, Eleanor Babikian, Bianca Finos.

SOPHOMORES — Mary Golini, captain; Doris Gillis, Mary Turco, Eleanor Budreau, Antonia Mancuso, Mary Abbene, Evelyn Zurette, Clementine Cosentino, and Frances Leavitt.

TRACK TEAM

The Everett High School Track Team was under the direction of Coach Gildea and Captain Gilbert Walker during the past year.

Struggling through an extremely hard schedule of meets against some of the strongest opposition in the state, and despite some of the set backs, Everett managed to produce a good record.

Captain Gilbert Walker lived up to all the fine things said of him by Coach Gildea. He proved to be one of the most consistent dashmen and three hundred yarders in the state. In dual competition he was unbeatable at the three hundred yards distance and in the Medford meet set a new Everett track record.

The only senior on the team was Edward Shea. Ed proved himself an able trackster by breaking the three year old forty-five yard hurdle mark.

Joseph Mascianica was another constant point getter, having scored a number of points for the track team.

The track members were as follows: Captain Gilbert Walker, Joseph Mascianica, Edward Shea, Thomas Allston, Robert Greenquist, Edward Lancian, Charles Brickley, William Lavoie, Fred Burnham, Frank Driscoll, Stuart Miles, and William Lewis, manager.

A large number of promising Juniors and Sophomores will insure Everett of a good track team in the future.
